Bringing in the New Year

Michelle Ziegler, Broker/Owner, has certainly had a whirlwind past couple of

years with the economic ups and downs and welcoming her brand new baby girl, Ava. Thankfully, it looks like the economy is slowly working its way back up. Michelle and her team are excited to continue to delve into helping home buyers and sellers secure their ideal properties.

Tish Carlson, Real Estate Agent, is also eager to start the New Year with her extensive experience selling residential and repossessed homes.
